Thank you for your recent letter advising us of your CSRA annual meeting. This certainly is a worthwhile endeavor and we appreciate the opportunity to review your request.

Walt Disney World Co. is proud to focus its community outreach efforts on making a difference in the lives of children. It is the goal of **DisneyHand-Helping Kids Shine** to engage children in society by creating healthy guiding relationships with adults, rewarding free time activities, and offering character-building opportunities, while helping those children who face adversity. By directly targeting these initiatives, we feel we have a greater and more-focused impact.
